

QUALITY POLICY

It is the policy of this company to operate our business in a manner that consistently meets or exceeds the quality standards set by our stakeholders. To achieve this, we are committed to continuous improvement of our operations and the products and services provided by our company.

AIMS AND OBJECTIVES

To achieve this goal, we recognise that the quality of our products and services are determined by our customer's needs and expectations. Our objectives are to:

- identify the changing needs and expectations of our customers
- develop and maintain processes and procedures that ensure that these changes are accommodated
- achieve efficiency in our operations, attention to detail, and responsiveness to customer priorities by implementing a system that complies to AS/NZS ISO 9001
- provide quality products and services on time, and at the lowest cost, and
- provide an employment environment where continuous improvement is encouraged.

RESPONSIBILITIES

We, as a company will:

- train all staff and contractors to identify areas where improvement can be achieved
- remove wasted and non-value added steps and time in our processes where feasible
- strive to ensure that customer and stakeholder satisfaction is achieved at all times, and in all things, and
- support the adoption of appropriate quality systems and management principles in order that all stakeholders benefit from this commitment to quality.

Employees are expected to:

- assist and cooperate in ensuring that this policy is followed, and
- actively participate in the adherence of this company to the achievement of the goals and objectives of this policy.

The Manual shall identify all measures required for delivery of services and maintaining a quality system in pursuit of excellence and customer satisfaction
